Appendix

1. How do you describe your niche, role, activity, or agenda you have online?
2. What brought you to hacking, OSINT, cyber-threat intelligence, and any operations you have taken so far?
3. Have you faced any obstacles, challenges, repercussions because of your activity?
4. Has the obstacles, challenges, repercussions affected your commitment, motivation, and vision of your actions and in what way?
5. What is your take on the increased misinformation proliferation online?
6. Have you ever engaged or considered engaging in utilizing your actions in exposing disinformation campaigns? What was the disinformation about, in what capacity you participated, and what were the outcomes you were attempting to achieve?
7. What do you think the tools, tactics, and procedures undertaken in a hypothetical *misinformation hacktivism* operation might entail?
8. What in your opinion, is the way to continue evolving this work and in what shape and form?
9. Is there anything else that you would like to add or say that is relevant to the questions we have asked so far?
10. If you would like to share some demographic information, please do - we don't require it but it will help us better contextualize your effort and story.
